The BGSS Parent Handbook is updated annually in January and uploaded on the school website (www.bedokgreensec.moe.edu.sg). Parents are welcome to download the soft copy for their own reference. (Correct as of 2 January 2018)

About Bedok Green Secondary School

Our Vision -
A school of choice & a community of life-long learners

Our Mission -
To provide a nurturing environment where pupils are imbued with sound values, a passion for learning and confidence to face future challenges

Our School Motto -
Believe & Grow
We believe that all of us have the ability to succeed and we grow through life-long learning

Our School Crest -
Bamboo
The bamboo represents:
- Continuous growth
- Hardiness and resilience in the face of adversity
- Strength in unity
- Humility
- Uprightness and integrity
- ‘Gentleman’ qualities

Our School Values -
Resilience
We are undeterred by failure or setbacks. Instead we have the strength and tenacity to persevere and pursue our goals.

Integrity
We demonstrate honesty and uprightness in word and deed.

Compassion
We feel for and show care and concern for one another.

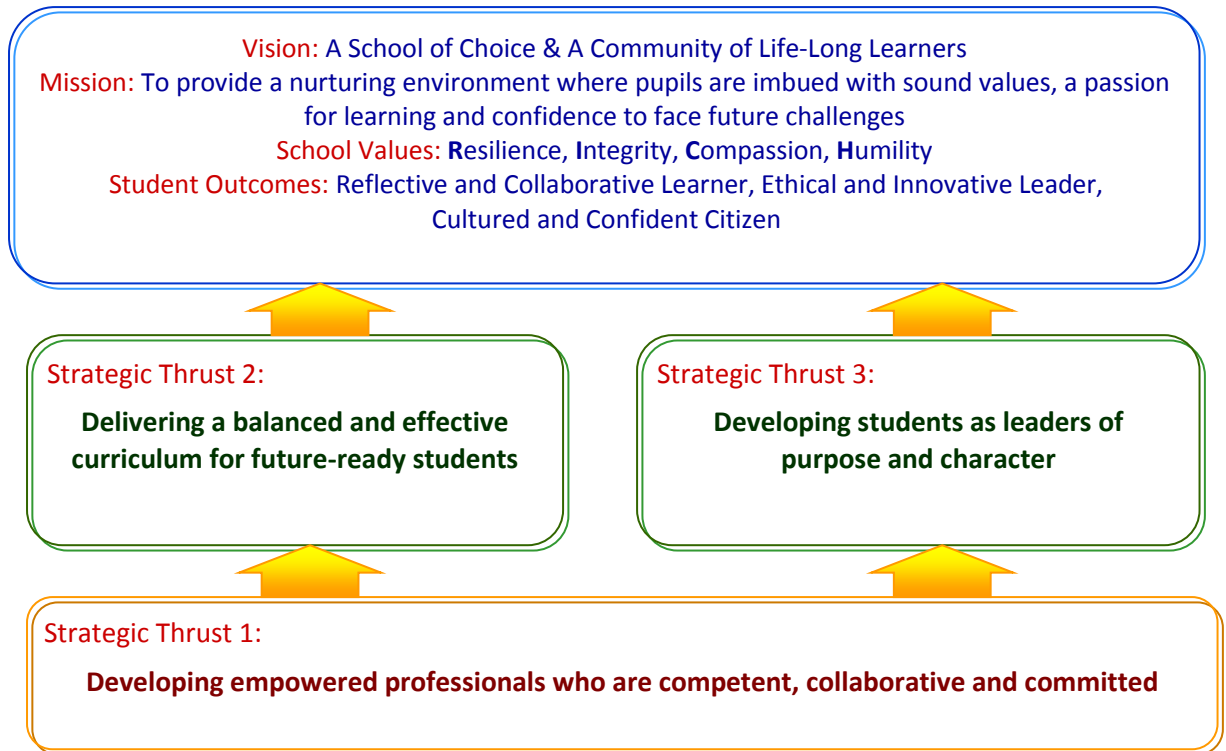

Humility
We take pride in our strengths while being modest in our behaviour and attitude.

Diamond
Education is a process comparable to the cutting and polishing of a rough diamond to bring out its beauty and turning it into a gem stone. In Bedok Green Secondary School, our students are like rough diamonds.

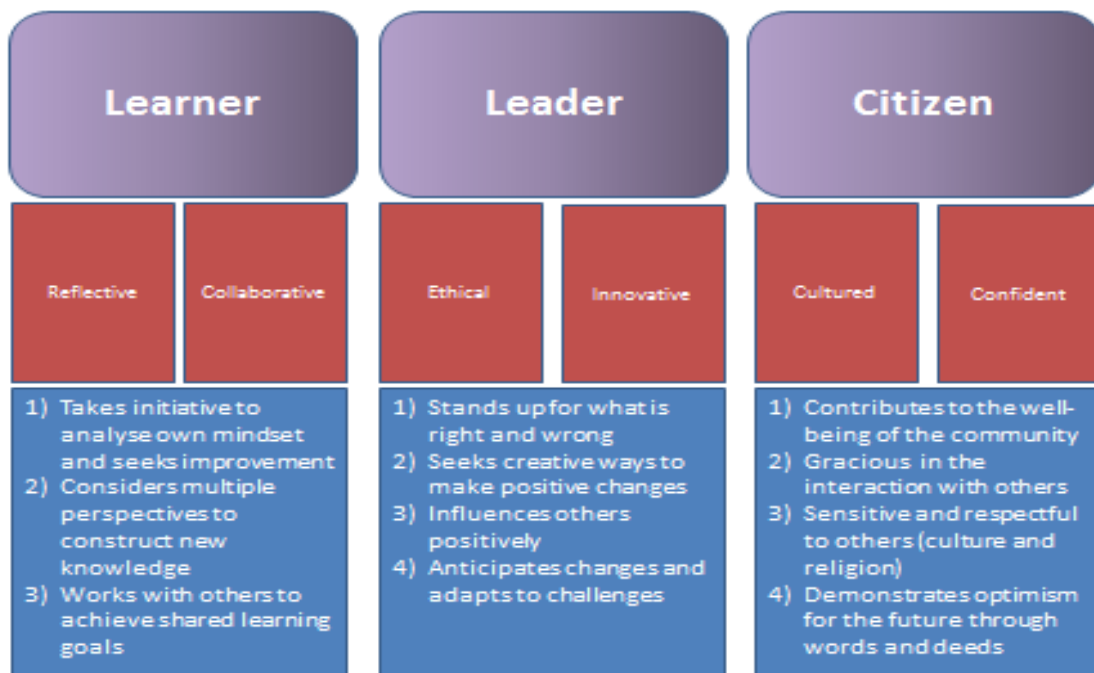

Like the skilled craftsmen, our staff works hard throughout the years ‘cutting and polishing our rough diamonds’ which we receive at the beginning of each year. We hope that in the end, each student will become a precious gem stone with a brilliance that will last forever, thus adding value to every student who passes through our portals.

BGSS Strategy & Student Outcomes

Our Strategy

Student Outcomes

Student Discipline

Important information for parents

- ❖ Please refer to your child's/ward's Student Handbook 2018 (pages 69 - 73) for the complete list of school rules and regulations. All students are required to abide by them.
- ❖ The daily flag-raising ceremony starts at 7.30 am except on Wednesdays which starts at 8.25 am. All students are expected to arrive in school at least 5 minutes earlier so that they can be at the parade square on time for the flag-raising ceremony. Latecomers must report to the General Office. Habitual latecomers are liable for disciplinary action.
- ❖ In case of absence from class or official school events, the school will send an SMS to inform parents of their child's absence. Upon return, students must submit a Medical Certificate (MC) to the Form Teacher if they were unwell. Students may produce up to 2 Parent's Letter (PL) per semester, exceeding which they are required to produce MCs to cover subsequent days of absence. Further PLs will not be accepted.
- ❖ Handphones must be put on silent mode or switched off at all times. Students should only use them during recess or after school in the canteen. Violation of this will result in confiscation of the handphone and the parent/guardian will be required to collect it personally at the General Office during school office hours.

Subject-Based Banding (SBB)

Ministry of Education (MOE) is introducing greater flexibility in subject offering at lower secondary levels to better cater to the strengths of students in different subjects. Students who are eligible for SBB would be issued an option form for the respective subjects during the Sec One registration.

Advantages for N(A) students offering subjects at a higher level

N(A) students who offer subjects at Express level would sit for the GCE ‘O’ Level Examinations for these subjects when they are in Sec 4N(A) instead of at Sec 5N(A). At Sec 5N(A), they can choose to re-sit for those subjects or concentrate on their other subjects.

In addition, students who are later transferred laterally to the Express stream would be better prepared to handle the rigour of a more demanding course.

Advantages for N(T) students offering subjects at a higher level

N(T) students who offer subjects at the N(A) level would receive some bonus points at the GCE ‘N’ Level Examinations for entry to ITE if these subjects are pre-requisites for the course applied for. However, the examinations for the N(A) subjects would be more demanding than the N(T) subjects.

There is no specific impact at this time for N(T) students offering Express subjects with regards to their post-secondary posting.

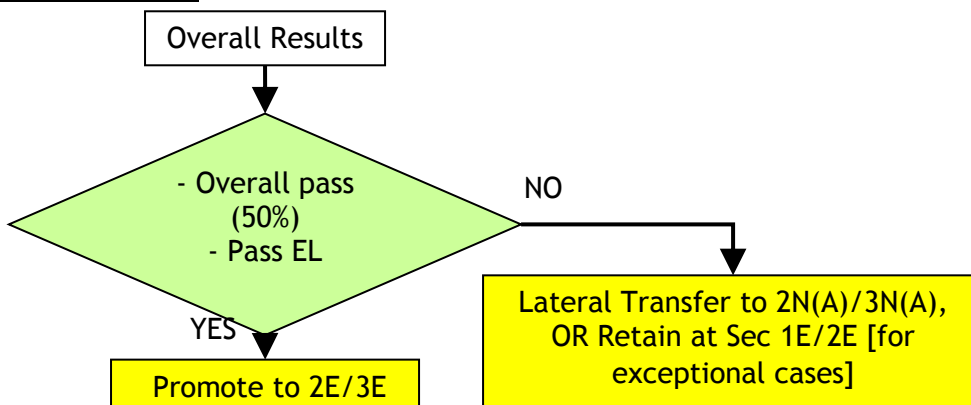

Students who are later transferred laterally to the N(A) stream would be better prepared to handle the rigour of a more demanding course.

Assessment & Promotion

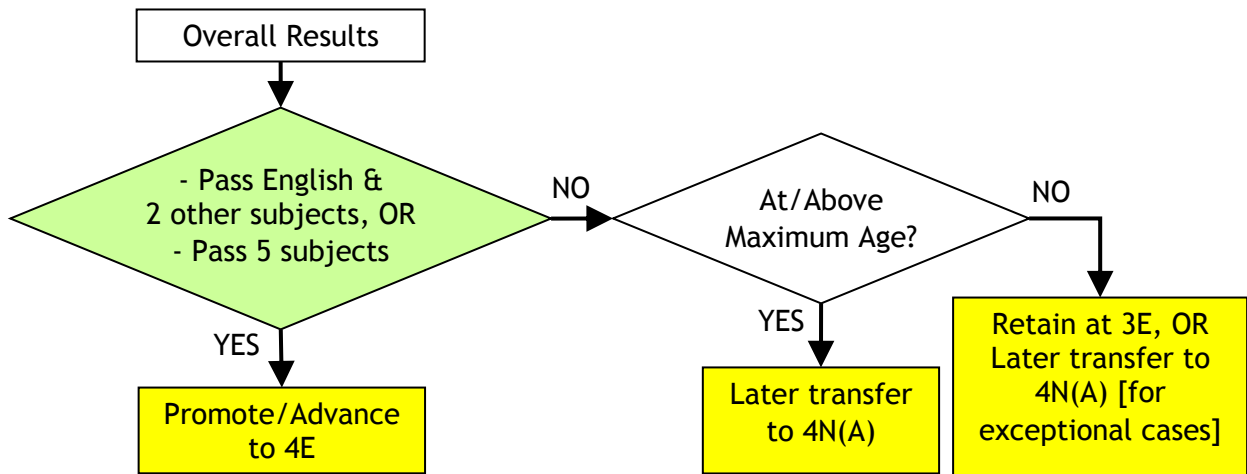

Important information for parents

- ❖ Please refer to your child's/ward's Student Handbook 2018 (page 85 & 86) for
 - Weighting for Continual Assessments and Semestral Examinations,
 - Promotion criteria; and
 - Targets (academic and co-curricular areas) set by your child/ward.
- ❖ We would like to encourage parents/guardians to monitor your child's/ward's progress by referring to the targets set in the Student Handbook and reviewing it with him/her regularly.
- ❖ Important note for parents of Sec 3 Normal(Academic) students: With effect from 2009, Sec 4 N(A) students wishing to continue to Sec 5 N(A) to offer the GCE O-level Examinations must obtain an aggregate score not exceeding 19 points in English Language, Mathematics and best 3 subjects and a Grade 5 or better for both English Language and Mathematics. Students who fulfill the criteria may also consider a new and direct pathway to ITE's Higher Nitec courses. Successful applicants will be required to attend a 10-week preparatory course prior to commencing their Higher Nitec courses.
- ❖ The promotion criteria for all levels and different pathways available is summarized below:

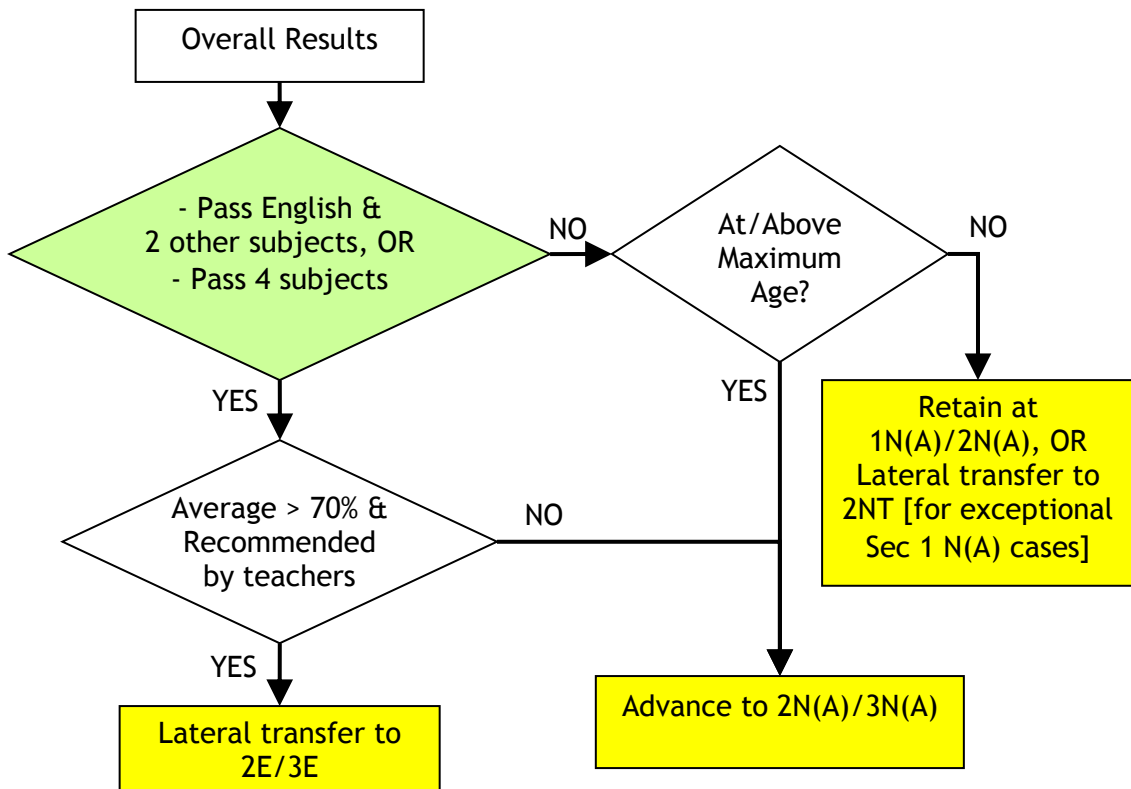

Sec 1 & 2 Express

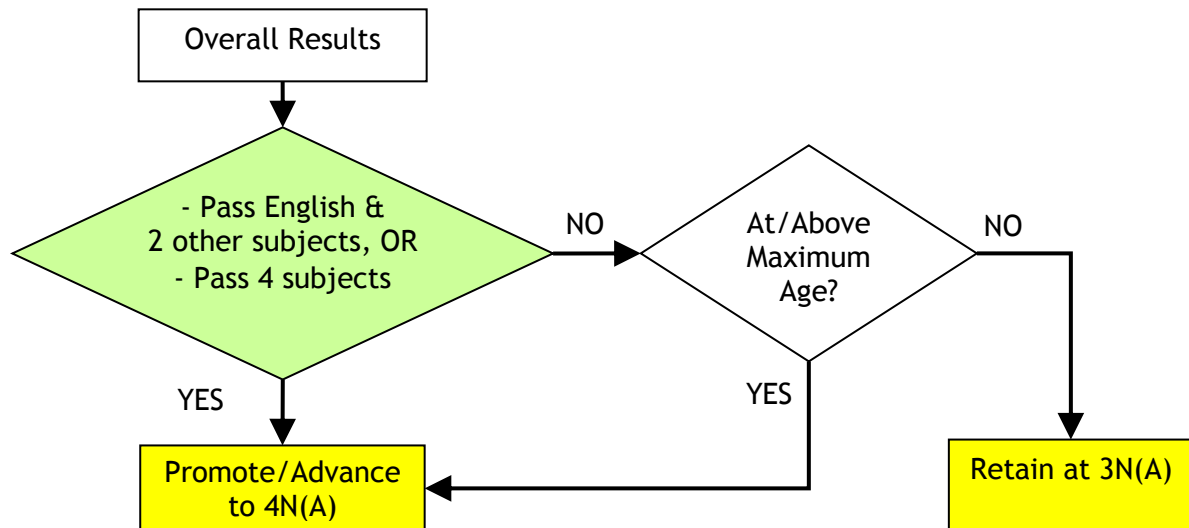

Sec 3 Express

Sec 1 & 2 Normal (Academic)

Sec 3 Normal (Academic)

Sec 4 Normal (Academic)

Promotion to Sec 5N:

1. A grade of 5 or better for English Language and Mathematics, and
2. An aggregate score of 19 points or less for EL, Maths and 3 other subjects

Direct Entry Scheme to Polytechnic Programme (DPP)

- Sec 4NA students can apply for direct entry to Higher NITEC courses at the ITE
- Guaranteed a Polytechnic place after Higher NITEC if they maintain a min GPA of 2.5 or 3.0
- Alternative route to Polytechnic instead of 5NA
- Criteria
 - $ELMAB3 \leq 19$
 - 1 - 4 in English Language
 - 1 - 4 in Mathematics
 - 1 - 5 in the 3 other subjects

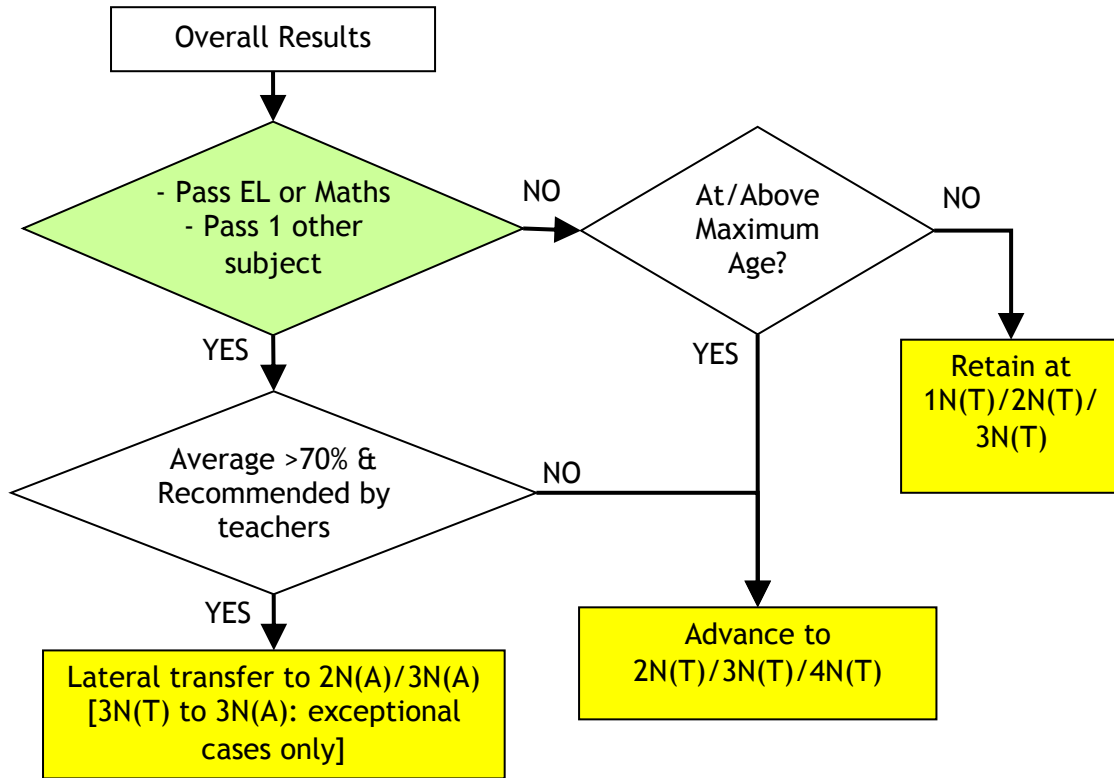

Polytechnic Foundational Programme (PFP)

Sec 4N(A) students can apply for the Polytechnic Foundation Programme at the polytechnics if they satisfy the following criteria :

An aggregate score of 11 points or less for EL, Maths and 3 other subjects;

- A grade of 3 or better in EL and Maths; and
- A grade of 3 or better in the 3 other subjects.

Sec 1 to 3 Normal (Technical)

School Calendar 2018

Please refer to the School Website for updates on School Calendar 2018.

Examinations 2018

Please refer to the School Website for updates on School and National Examinations.
