

DSA-Sec Exercise 2022 for Bedok Green Secondary School

The DSA-Sec exercise aims to allow Primary 6 students to seek admission to a secondary school, based on a diverse range of academic and non-academic achievements and talents that they can demonstrate beyond the PSLE. In Bedok Green Secondary, we offer DSA in the following 4 areas: Modern Dance, English Drama, Music and Engineering Innovation and Solutions.

Parents and students are encouraged to choose schools wisely based on the student's aptitudes and strengths, bearing in mind the schools' academic and non-academic requirements, and the programmes available to develop the area of talent.

Students who are successfully admitted to the school via DSA are expected to honour their commitment to the school, and participate in the activities related to the talent they are selected for from year 1-4.

Given the prevailing national posture, we will conduct the interview in person by allowing shortlisted students to visit our school in person. We will adhere to safe management principles and refer to the prevailing SMMs and Guidelines to ensure safety of students and staff before and after the selection. For DSA category like Performing Arts, students may also be asked during the interviews to perform simple tasks that can demonstrate their attributes and potential in respective talent area.
